Technical Specifications

▶ **User Controls**
• TFT touch screen, 7'' (18 cm)
• Buttons for direct access to inputs
• Buttons for direct access to effects
• User preset buttons
• Take, Freeze, Main and Preview selection
• T-Bar for smooth manually controlled transitions
• Joystick for easy and fast set up of image or effect parameters

▶ **Connectors**
• RJ45 for TCP/IP Ethernet connection
• USB port
• Auxiliary VGA
• BNC for desk light

External Programming

All Presets can be prepared on the Orchestra² and recalled by Control Systems. Templates can be selected and filled by chosen source. Simple and affordable, the Orchestra² saves time and money by programming complicated presets which can be recalled by a third party controller and later changed without reprogramming the third-party controller.
