

CCS-TS-6500-MCK

Mobile Cart for Crestron RL™

- > Provides a mobile cart solution for Crestron RL™
- > Allows one Crestron RL system to be used across multiple rooms
- > Heavy duty locking casters ensure stability and mobility
- > Fits through a standard doorway
- > Height adjustable up to 60" (1524 mm)
- > Includes rugged, adjustable utility shelf
- > Sleek, stylish appearance

The CCS-TS-6500-MCK is an optional accessory for the [Crestron RL™](#) Group Collaboration System for Lync®. Fully assembled, it allows a complete system to be moved easily from room to room.^[1] Heavy duty casters provide stability and mobility over most common floor surfaces, and its sleek design allows it to fit through standard doorways. The display position can be set at any height up to 60 inches (1524 mm). A durable utility shelf is included for placement of a laptop or tablet computer.

Note: A CCS-TS-6500-WMK Wall Mount Kit^[2] is required for mounting of the 65" HD touch screen display and other components to the CCS-TS-6500-MCK Mobile Cart.
