

## i3D704 Goose Wall Mount with Power Box

i3 Part# i3D704

### Features

- Wall mount bracket with power box
- Support up to 10 kg
- Compatible with i3S700-series speed domes

### Application & Benefits

When mounting the i3S700-series speed dome from a perpendicular wall, the i3D704 is the right part for the job. The i3D704 is rust-proof; it is made from steel alloy and is power coated with white paint. This modern-looking bracket is very easy to mount onto a wall. Call our customer care representative for further information.

i3 International produces a range of camera and DVR accessories applicable for many retail, commercial and industrial applications. From aluminium camera brackets to UTP & power Supplies our full line of accessories offer tremendous value to security and loss prevention professionals.
