SONY make.believe

High-Quality 1080p HD Security Camera with View-DR Technology

- Excellent 1080p HD picture quality, supporting H.264 at 30 fps
- 3 Megapixel (1920 x 1440) maximum resolution
- Three codecs (H.264, MPEG-4, JPEG) and a dual streaming capability
- The Exmor™ CMOS sensor incorporated to deliver high image quality and low noise

Key Features

 View-DR™ technology—Sony's innovative Wide Dynamic Range technology—to capture objects clearly and adaptively even under very severe backlight or highlight conditions.

View-DR

OFF

(Actual Images)

- Visibility Enhancer to optimize the brightness and color reproduction of an image dynamically on a pixel-by-pixel basis while continuously adapting to the scene, within the given dynamic range.
- Easy Focus / Easy Zoom functions for easy installation.
- DEPA[™] Advanced Intelligent Video and Audio Analytics to trigger an alarm, based on user-defined rules.

- Optical Day/Night function to switch to Day or Night mode depending on the light level.
- XDNRTM (eXcellent Dynamic Noise Reduction) technology for clear images without motion blur under low illumination.

ON

(Actual Images)

- Powered by either AC 24 V, DC 12 V, or PoE (Power over Ethernet) for easy installation.
- Equipped with a BNC connector and a phono jack to instantly monitor the video while installing the camera.
- ONVIFTM (Open Network Video Interface Forum) software that ensures greater interoperability and more flexibility in building multiple-vendor systems.
